

AY 21-22 Workload Policy Modification

Policy:

To recognize the challenges of the last year, the workload policy for AY 21-22 will be modified to utilize a six-year window. Workload for academic year 2021-2022 will be based on publications from 2015-2016 to 2020-2021. The academic year is from July 1 to June 30 for each year, and the acceptance date of the publication is used. This is a one-time modification of the policy, and workload for 2022-2023 will be based on the workload model found in the document library.
